MAY - 1983

Our Thanks to Lion Calnan for the great set of programs. We have never had so many programs at the same time.

The program chairman for May is Lion Kevin Sundahl. He has given us the following program schedule.

- May 3 - Ted Gardnes on FISHING
- May 10 - Scott Schoon - Coaches Certification Program
- May 17 - Bruce Harper - The Officials Point of View
- May 24 - Howard Partington - City Projects
- May 31 - Robert Uplinger - Property Ownership

Program chairman for June is Lion Harry McCarter.

Lion Jim Swan will become the new newsletter editor as of this bulletin. It has been my privilege to do the bulletin for the past few years. I thank you for the opportunity and for the friendship you have shared with me. I informed Lion Jim to ascertain his editorial rights from the start because of the comments that will follow.

Bill

A big thanks goes to all who helped make the broom sale the success it was. Our presale did not work as we had planned (due to no brooms to presale), the weather did not cooperate (It rained all day), and a number of Lions did not help. Yet we did sell about \$3200 worth of brooms. We made about \$775 for the club. Thanks to all who worked so hard.

Lion Ken Babb has agreed to keep the trailer in his lot. Thanks Lion Ken. We also say thanks to Lion Bird for keeping the trailer in the past.
