

Decals

Since your S/T is taking a vacation, the newsletter was published early, as were your quarterly statements (which are enclosed). These do not reflect payments after December 16th.

Also enclosed is a Christmas present from your club. Each member got a decal in his new member kit. For most of our members, that was over ten years ago. Many no longer own the car they put that decal on, hence a new one for each member. On the next warm day, proudly put it on your car.

Dist Gov. Returns

When our club promised \$3000 for the Mobile Screening Unit, we set two conditions; [1] priority status in its schedule when it is ready; and [2] someone would need to come for the check [so we could get a photo for the paper], so Dist. Gov. Wally Glotta is expected to attend on January 3rd. Please try to be there yourself!

Build a float???

There may or may not be a parade at the State Conv. in Hays this June. If there aren't some out-of-town floats, there won't be a parade. DG Glotta is one of those pushing for having the parade. Of the big clubs, we are nearest to Hays. The decision will be made on January 21st. Can we promise to provide one? Can we give the DG a "yes" in person on January 3rd?

Salina

Can anyone from our club attend the statewide Mid-winter Rally in Salina on Jan. 20-21? Reservations are due soon. Contact your S/T EARLY in January.

Dodge City

The District Convention is in Dodge City on Feb. 17-18. The DG promises a different format from year's past and says it will be of value to ALL MEMBERS. Contact your S/T for details. It would be nice if we could take a whole carload (or more).

Hays

Besides providing a float, as mentioned earlier, we need to see about getting a good-sized group from our club to that State Conv. in Hays. Mark the dates: June 2-4. Plan to attend! Getting the state to come to western Kansas is good for western Kansas, but attendance suffers because most members are back east and don't want the long trip. When we get one out here we need to attend. If they only get good crowds back east, they'll want to have them all back there!

Seoul

Our Administrative account is getting healthy enough that we might consider HELPING a member attend. The help would be a minor part of the cost. Is anyone at all interested? Our very healthy Charitable account is strong enough that (with the evening club) we'll be sending a fine young man to Seoul, so Great Bend will be represented. Do you want to go, too?

Attendance

Elsewhere in this newsletter is the attendance records from July 1 to Dec. 15. "1" means present. "S" means sick (and the S/T was so notified). "E" means excused ... by the Board ... for good cause. "H" means made-up within 13 days of the missed meeting (by going to another Lions meeting of some sort).

Especially in the case of the make-ups, your Sec'Treas should know by the end of the month in question!!! However, it is not too late to change any of the "0's" to S, E, or M --- if the circumstances warrant. Please look at your own record. If you think a change is warranted, give your S/T a brief note at the next meeting. It would be nice to hand out a bunch of properly earned "Perfect Attendance" awards.
